Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and until the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure, sent by circular free.

The New Styles in Women's Stylish Silk Gloves

There's a style to these silk gloves that cannot be found in other gloves of a like make. This style is not in their external appearance but in the quality of the silks and workmanship used in making them.

They are well-reinforced in the finger points, wristbands and clasps—the places where wear and tear comes heaviest. And will practically outwear two cheaper pair of inferior makes.

Many new styles are here in the new white silk gloves with black stitching, and the new black gloves with white stitching. Also many others in numerous colors. All sizes

Many a Chickasha Household Will Find Them So.

To have the pains and aches of a bad back removed—to be entirely free from annoying, dangerous urinary disorders, is enough to make any kidney sufferer grateful. The following advice of one who has suffered will prove comforting words to hundreds of Chickasha readers:

Fred Andrews, Chickasha, says: "My back was weak and I had spells of aching across my kidneys. My kidneys didn't act normally and annoyed me. Doan's Kidney Pills cured me."

A Lasting Cure.

OVER THREE YEARS LATER, Mr. Andrews said: "The cure I received from Doan's Kidney Pills has been permanent."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the name that Mr. Andrews has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

NOTICE.

All persons are notified that there is an ordinance prohibiting horses and cattle being staked or picketed to graze on the parkings of the city anywhere. A great many people are staking out cattle along the parkings, the cattle wander onto the sidewalks and mess things up and become general nuisances. This must be stopped at once.
